

See it, Use it, Sense the difference.

DDR3 1600 / 1800 MHz 2GB CL7 / 8 / 9 -Desktop

Features:

- JEDEC standard 240.pin DDR3 DIMM
- "Non-ECC, IJn-buffered
- Standard 6.layered PCB
- 1600 / 1800 MHz 2GB
- Cas-Latency 7-7-7-21 / 8-8-8-24 / 9-9-9-24 (CAS, tRCD, tRp, tRAS)
- "Vo!tage:1.8V
- On-Die-Termination (ODT)function built-in
- Off-Chip-Driver(OCD)calibration ability

Products specification :

GDF2GB18L125C8	DDR3 1600 MHz 2GB
GDF2GB18L110C8	DDR3 1800 MHz 2GB
GDF2GB18L125/110C8-4GK	DDR3 1600/1800 MHz 2GB
GDF2GB18 L125/110C8-6GK	DDR3 1600/1800 MHz 2GB
GDF2GB18 L125/110C8-8GK	DDR3 1600/1800 MHz 2GB
GDF2GB18 L125/110C8-12GK	DDR3 1600/1800 MHz 2GB

Description:

Winchip GDF2GB18L125C7/8/9 ,GDF2GB18L110C7/8/9 are great performance of DDR3-1600 / 1800MHz memory. Combined with Winchip colorful diamond carving heat sink which helps to dissipate the heat through the fins and making your computer system more stylish.

Each DIMM is composed with 16 chips of 128Mx8 IC and JEDEC standard 6/8-layered PCB in order to provide the best compatibility and Reliability and stability as well as overclocking performance.

Colorful standard Winchip diamond carving heat sink can be chosen at option!

Advantages :

- 100% original chips
- Various motherboard double tested
- Great stability and compatibility assured
- 24hours Burn-in tested
- ISO9001certified
- RoHS compliant
- 100%Made in Taiwan
- Lifetime warranty
- Color options for heat sink : Yellow Gold / Silver / Black / Red / Sapphire Blue / Sky Blue / Crystal Purple / Lavender.
